Relocation of Student Health Services Wolfline bus stop

To improve traffic flow on Dan Allen Drive and in-line bus performance schedules, NCSU Transportation is consolidating two bus stops at Dan Allen Drive - 1) Near Student Health Services and 2) Dan Allen Drive/Thomas Drive. The new location will be on Dan Allen Drive near Home Field (parking area near Westpass Hall).

During demolition of the new New Student Health Services (scheduled to begin Tuesday, June 10), the bus stop will be temporarily relocated (at south of the current stop). Please use caution in the area.

Thanks for riding Wolfline!
